December 7, 1982, and was amended to encourage industrial growth and development by means of relaxed government controls and criteria set forth in Section 4 of the Act. The Board reviews these applications based on the criteria and the Enterprise Zone Board to review and approve the various appendices included with the application. Enterprise Zones when completing this

16. Manual submission of applications submitted after midnight on December 31, 2016. Paper documents submitted after midnight on December 31, 2016 Any paper documents relating to the application are not considered.

The application process shall begin two (2) weeks after the date submitted by December 31, 2016 in order to allow the Board to review a current Enterprise Zone that expires on December 31, 2016 and deny your application. It is the Board's policy to deny your year of expiration.

Information on the application process for Enterprise Zones is available on the website.

Enterprise Zones are established in a previously designated zone. (20 ILCS 655/4(1).) The initial designation shall be for a period of five (5) years. The Enterprise Zone Board after thirteen (13) years shall consider the costs incurred by the Board in establishing the enterprise zone. (20 ILCS 655/5.3)

To upload your completed application and supporting documents, start by clicking the Browse button.

Step 3 - Upload Application With Supporting Documents

About Uploading

- You must include all required documents or your application will not be considered.
- Each file that you upload cannot exceed a file size of 100MB.
- Only .pdf, .docx, and .zip files will be accepted.
- You must include a zip file of all files that make up your shapefile (image map of zone). For more information [click here](#).

This will open a window that allows you to navigate to the area of your computer where the document you want to upload is stored. Click on the file name then click the Open button.

Click the Upload File button.

Step 3 - Upload Application With Supporting Documents

Click Here 

Guiding

- You must include all required documents or your application will not be considered.
- Each file that you upload cannot exceed a file size of 100MB.
- Only .pdf, .docx, and .zip files will be accepted.
- You must include a zip file of all files that make up your shapefile (image map of zone). For more information [click here](#).

The file you just uploaded will appear in the list.

Step 3 - Upload Application With Supporting Documents

 [EZ-Fillable-Application.pdf](#)

About Uploading

- You must include all required documents or your application will not be considered.
- Each file that you upload cannot exceed a file size of 100MB.
- Only .pdf and .zip files will be accepted.
- You must include a zip file of all files that make up your shapefile (image map of zone). For more information [click here](#).

To view the file, click on the file name.

To delete the file, click the Delete button.

If you need to change the content of a file you must delete it and upload it again.

Submit your application. In order to submit your application you MUST have uploaded at least ONE PDF/Word file and ONE ZIP file. Your shape files MUST be put into a zip file and uploaded to this site for your application to be considered complete. All required supporting documentation must be uploaded for your application to be considered.

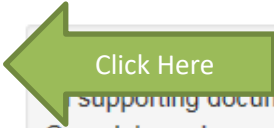

Step 3 - Upload Application With Supporting Documents

 MSP430m01_Intro.pdf	<input type="button" value="Delete"/>
 Sample.zip	<input type="button" value="Delete"/>
 EZ-Fillable-Application.pdf	<input type="button" value="Delete"/>

About Uploading

- You must include all required documents or your application will not be considered.
- Each file that you upload cannot exceed a file size of 100MB.
- Only .pdf and .zip files will be accepted.
- You must include a zip file of all files that make up your shapefile (image map of zone). For more information [click here](#).

Step 4 - Submit the Application

Click Here application button after you upload your completed application and supporting documents. Once you submit your application, the status will change to Complete and you will no longer be able to upload documents.

You will be warned that you are about to submit your application, and that once you submit it you will not be able to upload additional documents.

Your application is now submitted.
