Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

While the number of jobs that have been created do not match the number agreed upon, the amounts represent the total number of jobs at the project site as of December 31, 2023 and the total salaries for those jobs.
