### Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

The original agreement was to designate Archtop Solar, LLC as an Illinois High Impact Business/Utility Scale Solar Power Business for its solar power facility in McLean County and designate it as eligible for tax exemptions described in Section 51 of the Retailers' Occupation Tax. The original agreement did not state anything about job creation.
