Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

Since this agreement we have hired a total of 5 new employees and 1 temporary employee. We have hired three full time production associates, one temporary production associate and 2 full time office personnels.
