### Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

The project has resulted in 31 new full-time equivalent positions as of December 31, exceeding the agreement requirement of 19 jobs. All positions meet program eligibility criteria.
