### Job Creation Data Explanatory Notes

If the change (gain/loss) in the number of full-time permanent employees as of the date of the report plus the number of full-time permanent employees anticipated to be hired after date of the report does not equal the number of full-time permanent employees stated in the Agreement that would be created at the site as a result of the assistance, then please explain why not:

Agreement was the creation of 200 full time jobs. It went back 5 years, and we created 260 full time jobs during the period. Now Walgreens maintains 855 employees
